# Kensington®

## VeriMark<sup>™</sup> IT Setup Guide

Kensington takes pride in making our comprehensive installation guides easy to follow with simple illustrations and step-by-step instructions. This guide will walk you through setup and help you get to know your VeriMark<sup>™</sup> IT.

Please update operating system (Windows 10) before setting up Verimark. If using an online service for WebAuthn make sure you use the latest browser version (Edge, Chrome, Safari and Firefox.)

### VeriMark<sup>™</sup> IT Dropbox Setup Guide

**1.** Login to dropbox using e-mail and password and then click on settings on the top right corner

Upgrade
Settings
Install Dropbox app
Sign out

#### 2. Under Security tab click on Security keys then Add

General	Plan	Security	Notifications	Connected apps	Default apps	Branding
