K97850WW	97850	Belt Holster for Microsoft Surface Duo	8	8

Holster

Belt Holster for Microsoft Surface Duo

Keep your Surface Duo safely by your side with our Belt Holster for Microsoft Surface Duo. It's the only belt-clip case solution designed specifically for the Surface Duo. Features include a horizontal "drop-in" design; a safety tab that holds the device firmly in place, with or without its protective bumper, yet allows easy access; durable polycarbonate material; and a two-year warranty.

FEATURES & BENEFITS

- The only belt-clip case solution designed in partnership with Microsoft, and made exclusively for Surface Duo.
- Horizontal "drop-in" design includes a sturdy clip that attaches to your belt or pants and holds the case comfortably against your waist.
- Safety tab holds the phone firmly in place, with or without its protective bumper, yet allows easy access when you need it. Use is required when bumpers are not installed.
- Durable polycarbonate material that's as stylish as it is tough.
- A two-year warranty means you can rest assured knowing you're covered by Kensington.

K97320WW	97320	BlackBelt™ Rugged Case with Integrated CAC Reader for Surface™ Go and Surface™ Go 2	10	10

Rugged Case

BlackBelt™ Rugged Case with Integrated CAC Reader for Surface™ Go and Surface™ Go 2

Secure and protect your Surface Go, its data, and your network with the ultimate case — the BlackBelt™ Rugged Case with Integrated CAC Reader for Surface™ Go and Surface™ Go 2. Made in collaboration with Microsoft, it features a FIPS 201-compliant smart card reader, military-grade drop protection, a protective camera cover, openings for the kickstand and all I/O ports — including USB-C pass-through to USB-A, cable lock compatibility, and TAA compliance.

FEATURES & BENEFITS

- Integrated CAC reader is a FIPS 201-compliant, supporting class A, B, and C for secure access to the device and your network. ROM means data is never stored, so it can't be compromised.
- Military-grade drop protection is MIL-STD-810G drop-tested, which means this case is ready for anything.
- Openings for the kickstand and all I/O ports — including USB-C pass-through to USB-A — allows use of the integrated kickstand and full access to all ports without removing the case.
- Cable lock compatible, so the device and case can be secured with a Kensington cable lock — from the inventors of computer cable locks.
- Self-adjusting hand strap provides a firm grip when in use and stows when not in use to allow device to lie flat and stable.
- Keyboard holder secures the keyboard when in use. Type cover strap helps keep the keyboard protected and clean. Rear camera cover allows for use of camera and keeps lens protected when not in use. Pen holder and tether conveniently secure and store Surface pen.

K38286WW	38286	USB-C to Dual HDMI 1.4 Video Adapter	5	5

Hub

USB-C to Dual HDMI 1.4 Video Adapter

With support for up to two 4K Ultra HD monitors, plug-and-play ease, and the ability to mirror monitors or operate each independently, the USB-C to Dual HDMI Video Adapter delivers stunning video quality from any USB-C Windows computer. Improve productivity with multiple monitors (@30Hz), enhance presentations, or create messages or signage. Two-year warranty.

FEATURES & BENEFITS

- Supports up to two 4K Ultra HD monitors @30Hz for stunning HDMI video from any USB-C Windows computer.
- With plug-and-play ease, there are no drivers to install. Just connect the cable to a USB-C port that supports Alt Mode, connect your monitor cables, and it works.
- Whether you want to mirror each monitor to display identical information, or have each monitor independently dedicated to a separate page, tab, or application, you've got flexibility.
- Multiple monitors help improve productivity by reducing side scrolling and clicking back and forth between tabs, applications, windows, etc.; and enhance presentations, digital messages, and signage.
- A 2-year warranty means you can rest assured knowing you're covered by Kensington.

K54250WW	54250	SA124 Privacy Screen for Surface Laptop Go	10	10

Privacy Screen

SA124 Privacy Screen for Surface Laptop Go

Designed exclusively for Surface in collaboration with Microsoft®, the SA124 Privacy Screen for Surface Laptop Go helps protect your privacy, without any mess or fuss. Easy to detach and reattach, the screen conveniently attaches to the Surface Laptop Go's frame with pre-applied adhesive. Protects privacy by limiting viewing angle to +/- 30°, reducing the chances of a visual data breach. Blue light reduction filters out harmful rays by up to 30%, easing eye strain and reducing the chances of interrupting sleep patterns. Touch enabled, so you can use the touch feature of your Surface Laptop Go just as you would without a privacy screen. Included cleaning cloth helps to keep the screen clean and dust-free. Two-year warranty.

FEATURES & BENEFITS

- Designed exclusively for Surface, Kensington worked directly with Microsoft® to provide optimal fit, security, and protection for your Surface Laptop Go, so you can work with confidence.
- Seamless adhesive integration conveniently attaches to the Surface Laptop Go's frame and eliminates any setup process.
- Limited viewing angle narrows the field of vision to +/- 30 degrees, helping keep the information on your screen private, reducing the chances of a visual data breach in the office or in public.
- Blue light reduction filters out harmful rays by up to 30%, easing eye strain and reducing the chances of interrupting sleep patterns.
- Touch enabled, allowing you to use the touch feature of your Surface Laptop Go just as you would without a privacy screen.
- Included cleaning cloth helps to keep screen clean and dust-free.

K58400WW	58400	FS270 Snap2™ Privacy Screen for 25"-27" Widescreen Monitors (16:9 / 16:10)	5	5

Privacy Screen

FS270 Snap2™ Privacy Screen for 25"-27" Widescreen Monitors (16:9 / 16:10)

Protect confidential or sensitive information on your monitor from wandering eyes with a Snap2 Privacy Screen. The thin privacy screen limits the field of vision to +/- 30 degrees and attaches to a flat-panel display via a spring-loaded mount that's extremely easy to install without tools or adhesives. The hard-coated and textured surface protects the screen from scratches or fingerprints while also reducing glare and improving viewing contrast. It also filters out harmful blue light up to 30 percent.

FEATURES & BENEFITS

- Limits viewing angle +/- 30° which is convenient to hide personal or confidential information at your desktop
- Spring-loaded mount secures screen to monitor without hassle or adhesives
- Reduces harmful blue light by up to 30%
- Hard-coated surface protects screen from scratches and fingerprints
- Fits widescreen flat-panel monitors
- Textured surface with light tint minimizes glare and improves contrast
- Won't obstruct controls or speakers

K75256WW	75256	Pro Fit® Ergo Vertical Wired Trackball	4	4

Trackball

Pro Fit® Ergo Vertical Wired Trackball

Give your hand a healthy break. Upgrade to ergonomist-approved comfort and premium cursor control with Kensington's Pro Fit® Ergo Vertical Wired Trackball. A 60° tilt angle promotes proper wrist, arm, and shoulder alignment to maximize comfort and minimize potential strains. This mouse-like vertical trackball is easy to learn and offers nine programmable buttons; plug-and-play ease with the ability to customize using KensingtonWorks software; and a unique, easy-to-clean design.

- Ergonomist-approved design promotes proper wrist, arm, and shoulder alignment to maximize comfort and minimize potential strains.
- Easy-to-use mouse-like shape reduces learning curve when transitioning from a mouse to a trackball.
- Provides more accurate and smooth cursor control, and allows you to easily switch between DPI settings for different cursor speed control.
- A secure wired connection means you'll never worry about batteries or wireless interference.
- Use the plug-and-play default settings, or download KensingtonWorks software to set pointer and scrolling options and professionally customize nine buttons to tackle common tasks with one touch.
- Unique easy-to-clean design features a button to eject the trackball for easy cleaning.

K63150WW	63150	Mac Pro® and Pro Display XDR® Locking Kit	4	4

Locks

Mac Pro® and Pro Display XDR® Locking Kit

Now there's an elegant way to secure your Mac Pro and Pro Display XDR. The Mac Pro and Pro Display XDR Locking Kit perfectly complements the Apple design aesthetic, without the use of tools or modifications to the equipment. This easy-to-install ingenious solution uses the honeycomb plate on the chassis of the device as the anchor point. Includes 8 ft. carbon steel cable and lock.

- An elegant locking solution that perfectly complements Mac Pro and Pro Display XDR.
- Easily attaches — no tools or modifications necessary.
- Lock modules can be used together or individually, for more flexible use.
- Eight-foot carbon steel cable with plastic sheath delivers cut and theft resistance.
- Kensington locks are verified and tested. Each lock is precision engineered to meet or exceed rigorous industry standards for strength, physical endurance, and mechanical resilience.
- Register & Retrieve™, Kensington's online registration program, allows for quick, secure, and free key replacement.
- A five-year warranty means you can rest assured knowing you're covered by Kensington.
