

Kensington takes pride in making our comprehensive installation guides easy to follow with simple illustrations and step-by-step instructions. This guide will walk you through setup and help you get to know your VeriMark™ Desktop.

Please update operating system (Windows 10) before setting up VeriMark™ Desktop. If using an online service for WebAuthn make sure you use the latest browser version (Edge, Chrome, Safari and Firefox.)

*Make sure Windows Hello has been previously configured using the instructions provided on the VeriMark support page.
