Is your data secure?12

DID YOU KNOW?

Errors were at the heart of almost one in five (17%) breaches. That included employees **failing to shred confidential information**, sending an email to the wrong person or misconfiguring web servers.

Executive Summary: https://enterprise.verizon.com/resources/reports/2018/DBIR_2018_Report_execsummary.pdf

3 Steps to Choosing the Right Shredder

STEP 1 – SELECT USAGE

Determine where the shredder will be located and how many people will use it.

STEP 2 – SELECT SECURITY LEVEL

There are different levels to choose from depending on the protection you require.

STEP 3 – MORE FEATURES

Consider these features when choosing your shredder.

1

SELECT USAGE

Determine where the shredder will be located and how many people will use it.

LARGE OFFICE

10–20 Users

MEDIUM OFFICE

5–10 Users

SMALL OFFICE

1–2 Users

PERSONAL

1–2 Users

2

SELECT SECURITY LEVEL

There are different levels to choose from depending on the protection you require.

LOW PROTECTION

STRIP CUT SECURITY LEVEL

P-2 LOW

MODERATE PROTECTION

CROSS CUT SECURITY LEVEL

P-3 P-4 MODERATE

HIGH PROTECTION

MICRO CUT SECURITY LEVEL

P-5 P-6 P-7 HIGH

MORE FEATURES

Consider these features when choosing your shredder.

INTELLIGENT TECHNOLOGY

INTELLIGENT™ JAM CLEARANCE

Reverses the blades when too much paper is inserted and upon completing a job to clear paper from the cutter, helping avoid time-consuming and frustrating paper jams.

INTELLIGENT™ SELFOIL™

Automatically keeps the cutter lubricated for smooth operation.

INTELLIGENT™ POWER SAVE

Automatically switches to this mode when not in use (but still turned on) to save energy.

ENHANCED PERFORMANCE

AUTO FEED WITH 4-DIGIT PIN LOCK

Lets you load a stack of paper, lock it until shredding is complete, and walk away.

QUIET MOTOR

Benefits the office with less noise and disruption.

ANTI-JAM TECHNOLOGY

Motor automatically stops and reverses the blades when too much paper is inserted, avoiding time-consuming and frustrating paper jams.

BIN FULL INDICATOR

Makes it easy to know when it's time to empty.

TOUCH PANEL BUTTONS

For simple, intuitive operation.

05

OfficeAssist™ Line of Auto Feed Paper Shredders

With their patented auto feed technology, cross-cut capabilities, large paper capacity, long run times, anti-jam technology, and large bins, OfficeAssist™ auto feed shredders help make any office more secure and productive — 98% faster*. Touch panels make them easy to use, and a bin window makes it easy to know when it's time to empty.

* Time savings versus manual shredding.

DID YOU KNOW?

The **top two assets found in Physical Theft and Loss Breaches are paper documents and laptops.** When recorded, the most common location of theft was at the **victim's work area**, or from employee-owned vehicles.

Research Report: https://enterprise.verizon.com/resources/reports/2018/DBIR_2018_Report.pdf

OfficeAssist™ Line of Manual Feed Paper Shredders

With their cross-cut and micro-cut capabilities, large paper capacity, long run times, anti-jam technology, and large bins, OfficeAssist™ manual feed shredders help make any office more secure and productive. Touch panels make them easy to use. Quiet motors mean they're less disruptive. And bin windows make it easy to know when the bin is full.

OfficeAssist™ Shredder M200-HS Anti-Jam Micro Cut

- K52078AM

Is your data secure?

Shredding Services

HIGH COST

They create ongoing expenses and additional fees as it is a labor intensive process.

LOWER SECURITY

Confidential information leaves your premises, sometimes un-shredded!

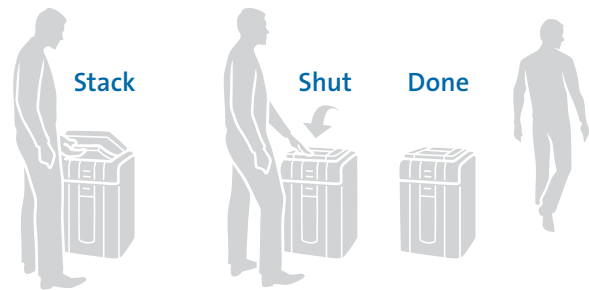

LARGE CARBON FOOTPRINT/ INCONVENIENT

Heavy, fuel-hungry trucks are always coming and going. In addition, employees invest their time monitoring the service provider.

vs

Kensington OfficeAssist™ line of auto feed paper shredders

MOST COST EFFECTIVE

Up to 65% less cost than using a shredding service and up to 90% less cost than using a manual feed shredder.

LEAST TIME

It takes up to 98% less time to operate than a traditional shredder, which can equate up to 9 hours per person each year.

HIGHEST SECURITY

Delivers instant peace of mind knowing that your confidential information is fully shredded.

MINIMAL SUPERVISION

Skip the hassle of monitoring strangers on-site and trucks blocking roads and entrances.

ECO-CONSCIOUS

Shredded paper can be safely added to your office recycling. Energy saving features help reduce your impact on the environment.
